Galt,
To a sweet
guy. Be good this
summer and have
fun. Marilyn Carroll

Galt,
I'm glad you got moved
behind me in English
because I used to turn
around and stare at you
but I couldn't see you too
well because you were so far back.
Now I don't have to strain my eyes.
Maybe I'll see you this summer,
at a fire or flood or something
like that.
Laura Johnson

Galt,
though I didn't
get to know you
very well you seem
like a real cool guy.
Have fun this summer
and see ya next year

Galt the way you put
old Bitzer in the drunk class
is absolutely impossible
have been in the
summer and I know you
will with all the women
friends that
you have

The objective of this year's PIRATES' LOG STAFF was to create a yearbook that would be a pleasingly different record of a memorable year.

The theme for this year revolved about the idea that every student has many opportunities to be individualistic and to be creative. This idea was carried throughout the book three ways. The striking yet attractive cover symbolizes the student as he is torn by the conflicting pressures of society—the situation we find many in today. The introduction depicts the student as he begins to discover his own ideals by exploring the many areas for creativity. Finally the division pages complete the theme as the student travels into the different realms of individual endeavor.

For the first time in the history of the PIRATES' LOG the entire introduction is in full color, new sections have been added, the book size and the number of pages have been increased, and the sections have been rearranged for better unification of the book and the classes. These additions were made possible through the use of advertising—which also allowed the incorporation of additional pictures of school life. The motto for the year was to tell the story with the maximum of pictures and the minimum of words.

The staff has done their best to make this book one you will be proud of and one you will want to look back on in the years to come. We hope you enjoy it.

half a decade has passed

As another chapter in the history of Highline becomes inscribed in the Pirates Log, we reflect upon our achievements. Let us also reflect upon the individual and his contribution to this history. Responsible individualism is the key to tomorrow.

Never before in history has man strived so diligently to assist his fellow man in bridging the crevass of ignorance and poverty, of racial and religious suppression and to stir his own inert talents, whether they be in science or in the humanities. Never before has a society become so great through its group processes or offered greater opportunity for the individual to constructively assert himself.

Throughout history man has attempted to assert himself as an individual. The greatest library is only a collection of each man's individual attempts to express himself. Man's art dates to prehistorical times, and each drawing is from an individual effort. The compositions in music or poetry have inspired individual men throughout the ages and reflect but individual talents. The great architectural structures are but memorials to individual achievement.

As you prepare yourself for the future and what it holds for you, think also of what you hold for the future. Each of you has a talent to offer; a contribution to make. Seek out your direction and pursue it to the fullest, for you are the strength of tomorrow and the hope of the future.

Stanley M. Little, Jr., vice-president; Carl Jensen, superintendent of schools; James W. Rice; Clayton E. Myron, president; Lloyd Cooley and Roland Kier.

Running a school calls for many hours of phone conversations, as evidenced by the candids of Mr. Sealey. Calls in a typical day run from condemning to commending as the parents and the community get involved in school life at High-line.

fall days...

Warm autumn days provided ideal playing conditions for this year's golf squad. Playing out of Earlington Golf Club under the direction of Coach Trowbridge, the golfers compiled a season's record of seven wins and five defeats. This gave them a third place northern division finish behind strong teams from Glacier and Renton.

With the team's strength centered around four juniors and two sophomores, the Pirates have hopes for the state meet in the spring and next year's season.

hoopmen bounce into action

"Very unpredictable" tells the story of this year's season. Although strong at times, the Pirates were unable to pull off the big win. Here's a look at the season:

SAMMAMISH: In the season opener the Totems topped the Pirates 71 to 67. The Pirates gained revenge during the Christmas vacation winning 66 to 62.

AUBURN: In a seesaw battle the Trojans squeezed by the Pirates 48 to 47.

PUYALLUP: Second half troubles brought a 47 to 36 defeat to the Bucs.

LAKES: Playing steadily throughout the game, the purple and gold scored their first victory winning 60 to 50.

CLOVER PARK: In another tight battle the Pirates fell in defeat 43 to 42. Highline completed their non-conference season with a record of 2 wins and 4 defeats.

RENTON: In their conference opener the Pirates fell to the Indians 46 to 42 in a hard fought battle. In the second game it was Renton on top again 60 to 50.

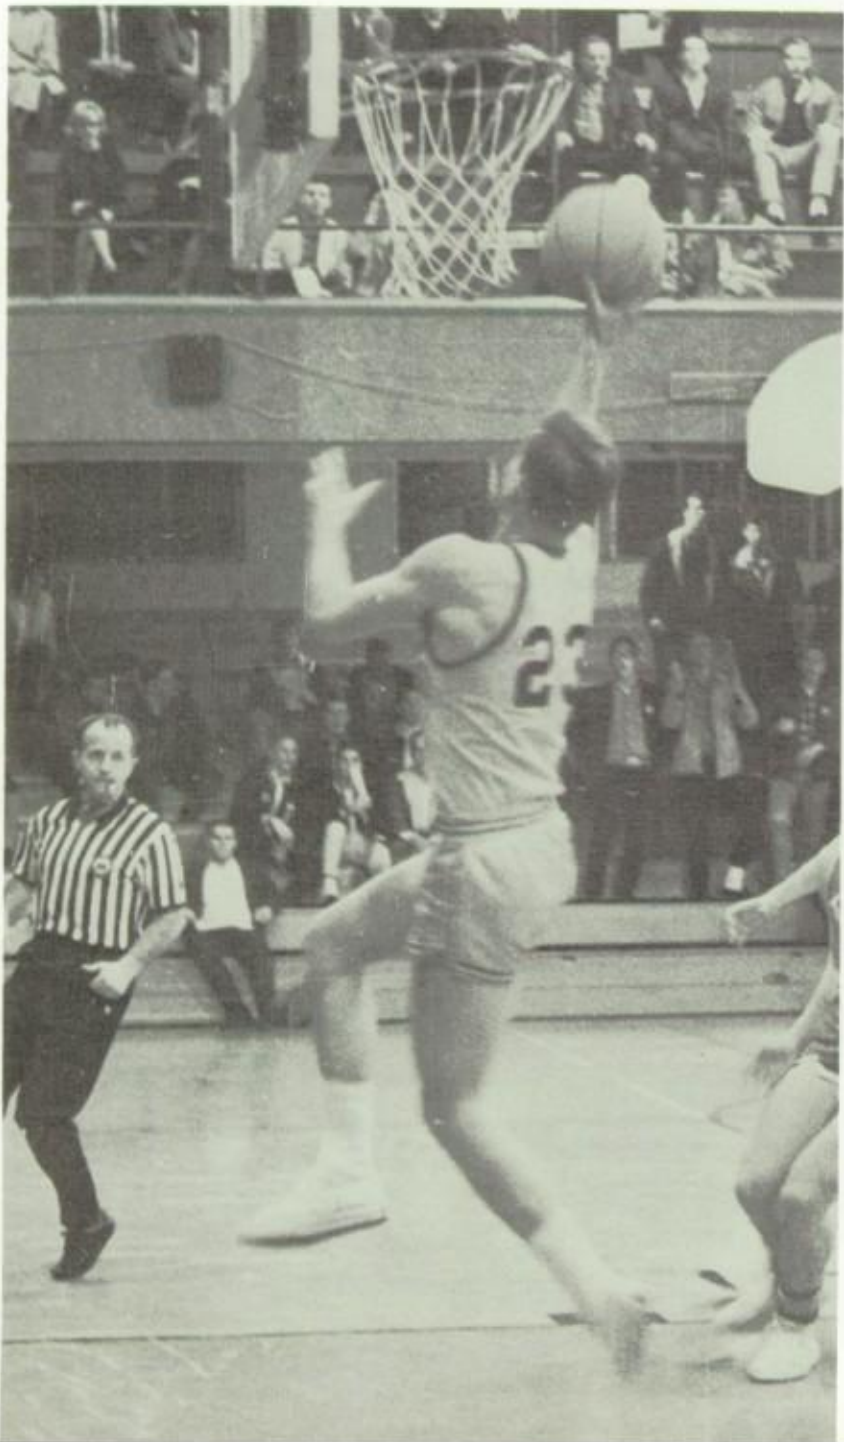

EVERGREEN: The Bucs gained two victories from the Wolverines 41 to 40 and 59 to 49.

GLACIER: Huntsinger's 24 points paced the Pirates to a 76 to 48 victory. Glacier gained revenge in a hard fought ball game 50 to 41.

TYEE: The Pirates were successful in twice overpowering the Totems 70 to 50 and 63 to 41.

MT. RAINIER: Unable to break the Rams' zone defense, the Pirates fell in defeat 54 to 41 and 46 to 34.

KENT-MERIDIAN: The league champs gave the Pirates their worst defeat 74 to 37. The Bucs pulled off a near upset in their season finale, but were fourth quartered 53 to 47. Season record: 7 wins, 11 defeats.

Due to the fine efforts of coach Robert Sarver, our gymnastics team captured the state title this year. Led by junior Marvin Hildebrand, the team won six of the eight events, Hildebrand taking five of them along with the all-round honors. Outscoring their nearest opponent by nearly one hundred points, the team showed many good prospects for next year.

play ball

With the arrival of spring came the start of another season for Coach Tazioli's baseball squad. The Pirates were led by lettermen Ron Munsch, Dennis Nemeth, Stan Schroepfer, seniors, and Phil Jacobson, junior.

Although strong in defense and pitching, the Pirates lacked the outstanding hitting needed for a championship team.

JUNIOR VARSITY: Larry Alexander, Jon Bahrenburg, Walt Binz, Steve Blake, Doug Briggs, Earl Faylor, Howard Goff, Gary Hogan, Dale Holpainen, Gary Martin, Bob Nemeth, Roger Price, Steve Quealey, Rory Richardson, Rick Seibert, Greg Sinnett, Gary Simpson, LaRoy Severson, Steve Wiley, Coach John Stupey.

VARSDTY: Roy Alexander, Greg Berg, Steve Biggs, Joe Bitzan, Jerry D'Ambrosio, Tom Giboney, John Harvey, Phil Jacobson, Dennis Laier, Tom Lines, Ron Munsch, Herb Myers, Dennis Nemeth, Wes Ogden, Dennis Peterson, Tom Randall, Stan Schroepfer, Tom Smith, Tim Somichsen, David Stone, John Weaver, Joe Whetung.

distance highlights track

The 1965-66 track season was spotted with two bright outlooks. The first was brought about by the assemblage of the best distance runners that Highline had ever had. The second was the large turnout in the sophomore ranks.

Head Coach, Victor Carpine, has termed this year "a building year" in which we were not a top contender on a team basis, but had several outstanding individual performers.

Highline's distance team, led by Joe Baisch, was made up primarily of members of the Puget Sound League's championship cross-country team. Dave Paulson, senior, and Jack Pyle, junior, were two of the top two-milers in the league. Joe Baisch defeated all comers in the mile on his way to a top finish in the State Track Meet. Seniors, Ken Boroughs and Paul Muto, junior, Len Wesson and sophomores, Paul Erickson, Jim Johnson, and Dave Osborne completed this year's outstanding distance team.

The 880 boasted a few new faces this year with sophomores Bob Slee and Paul Erickson. Senior letterman Byron DeMeerleer was the top half-miler for Highline.

This year's sprinters and hurdlers lacked experience with only one returning letterman. Tom Edwards, Barry Vasboe and Wayne Eller ran the 100 and 220 yard events. Mike Jackson and Jim Stegin were top quarter-milers this year.

Carrying the load in the hurdles was junior, Paul Austin, who led the high hurdles, while he, Barry Vasboe, and Dave Grage shared the duties in the 180 yard low hurdles.

A bright prospect for the future was built by the field team, which had much depth especially in the junior and sophomore ranks. The shot-put and discus was taken over by seniors Chuck Clarke and Ken Hoy, while juniors, Larry Craig and Gary Anaka and sophomore, Jeff Peece did a fine job.

Junior, Paul Austin and sophomores, Steve Whidden and Dave Grage pole-vaulted for Highline. Irv Huntsinger, Dan Conrad and Noel Shaver took the high-jump into tow while Dave Aplin, Tom Edwards, Barry Vasboe and Pete Carlson were this year's top broad jumpers.

TOP ROW, left to right: Head Coach Vic Carpine, Chuck Clarke, Irv Huntsinger, Dan Conrad, Jim Aplan, Dave Wetzstein, Jeff Peece, Gary Anaka, Larry Craig, Steve Whidden, Pat Boyle, Pete Carlson, Bruce Johnson, Ken Hoy, Coach Bob Sarver, Joe Baisch, Jim Stegin, Barry Vasboe, Jon Hale, Tom Edwards, Richard Norman, Noel Schaver, Harley Robert-

we were idealistic, hopeful and strong.

we accepted tradition,

but we tried to make improvements.

our standards were painstakingly high.

we rebelled against inequality, hate, and ignorance.

we strived for equality, love, and knowledge.

we wanted so much, planned so much, and did so much.

we set many goals.

we did not reach them all,

but we never gave up when the going got rough--

we tried harder.

we had unity, leadership, and enthusiasm.

but we will never regret what we have done with our time.

we were proud.

student government

Highline's Associated Student Body has progressed immensely during the past year. With willing and able leaders the students have gained respect and incite into the fundamental institution of government.

Board of Control, acting as the executive body, deals with all business pertaining to student activities. Board of Control is linked with the legislative branch of government through Interim Council which directs the business agendas of both.

Sue Wilde, B. J. Brenden, and Cherry Johnson comprise Interim Council.

Representative Assembly.

Safety Council.

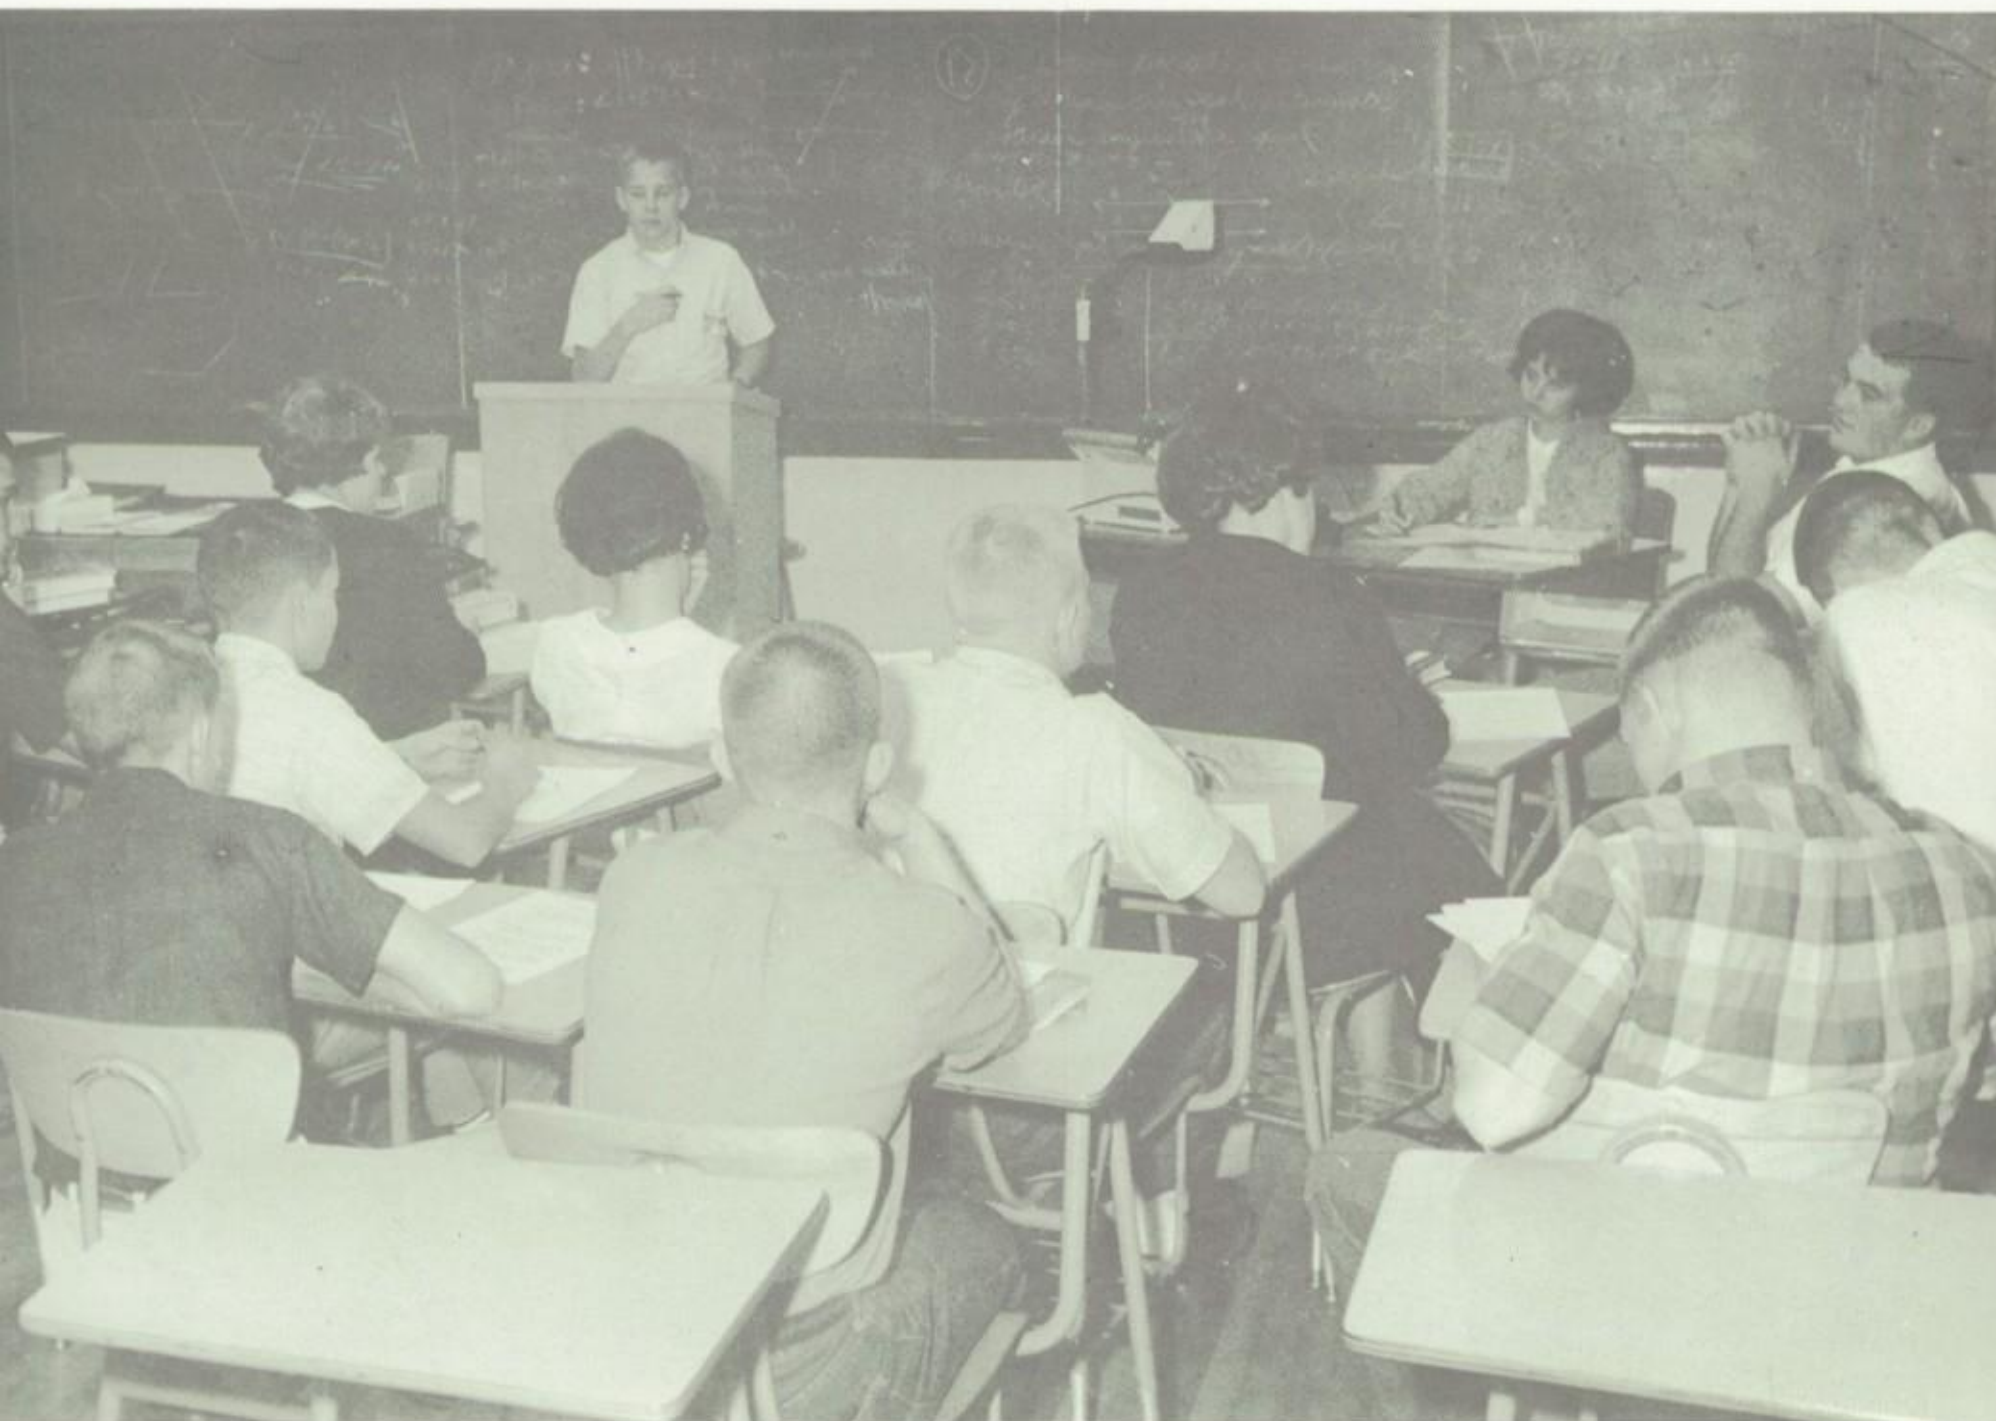

Representative Assembly, acting as the legislative body, builds the balance of power in the student government. Representatives deal mainly with the general activities of the students and of the school.

Two remaining facets of government are the Safety Council and the Traffic Court. Safety Council is responsible for facilitating safety precautions throughout the school. Traffic Court has the power to judge all minor traffic offenses referred to it by the King County Juvenile Court.

an exchange

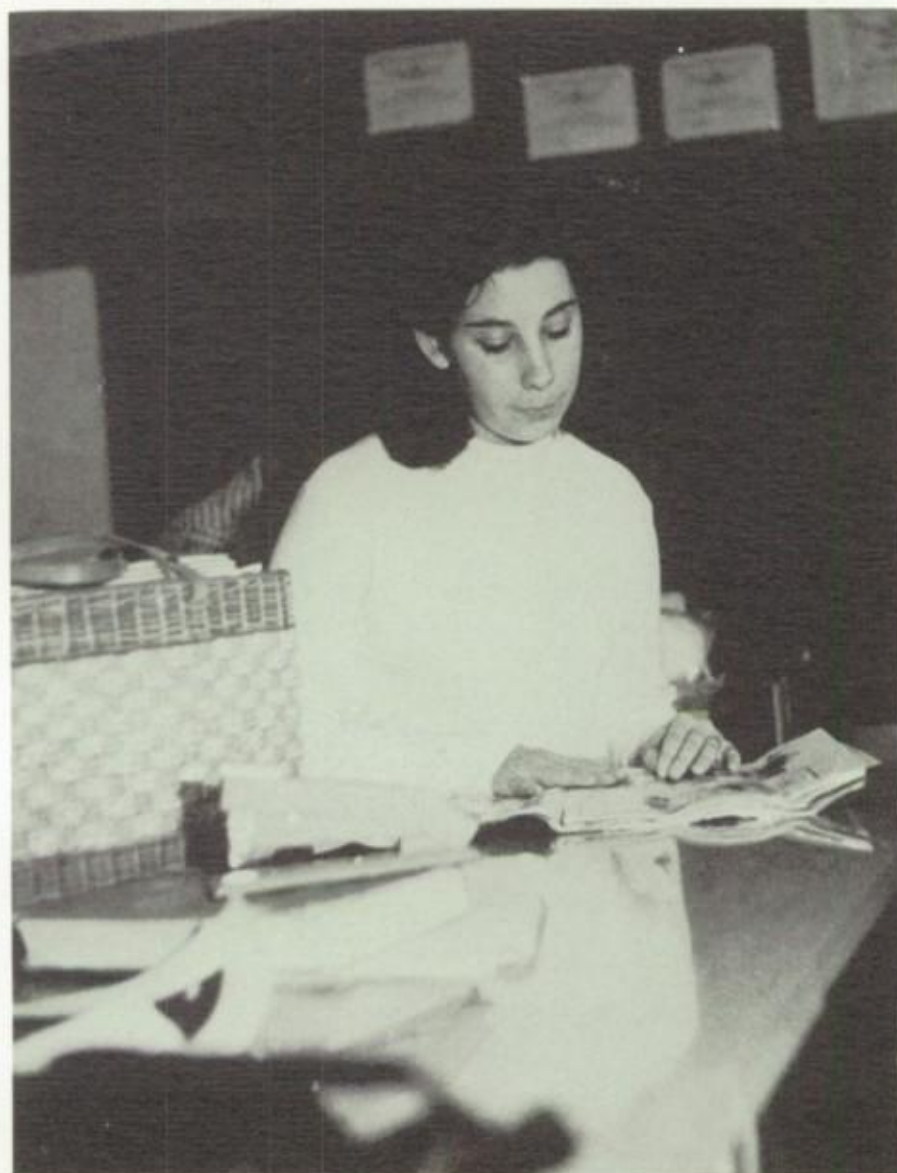

Universal exchange of ideas is best achieved through personal relationships. The American Field Service gave Highline students the chance to cultivate these relations through two exchange students, Colette Groetaers from Belgium, and Dario Soares of Brazil.

These two foreign students brought with them ideas to share, and will return home having had the opportunity to investigate Americal life for themselves.

for a better world

In January, Highline received a new exchange student. Ricki Edwards of Australia was sponsored by the Rotary Club Guild. Many students came to know Ricki through her participation in journalism and Foreign Exchange Club.

The Foreign Exchange Club of Highline took the responsibility for planning many well-remembered and traditional events this year. The Christmas Bazaar, pictured below, and the Foreign Exchange Day hosting all of the exchange students from schools in the Seattle area, were special activities which were held in addition to the regular club meeting.

it's the spirit that...

Pep Club was again a big help in the bolstering of the Pirates' spirit. This year Pep Club not only rooted Highline teams on but also helped organize all Homecoming activities, which proved to be a big success.

Hep Club again tried to start and organize their club. Although few in member and less in organization, they carried

out a somewhat successful year.

Leading the Pirates into victory were members of Big H. To be a member of this club one has to earn a letter in a varsity sport offered at Highline. Although not a club for putting on dances and such, they backed their proteges at all games and meets.

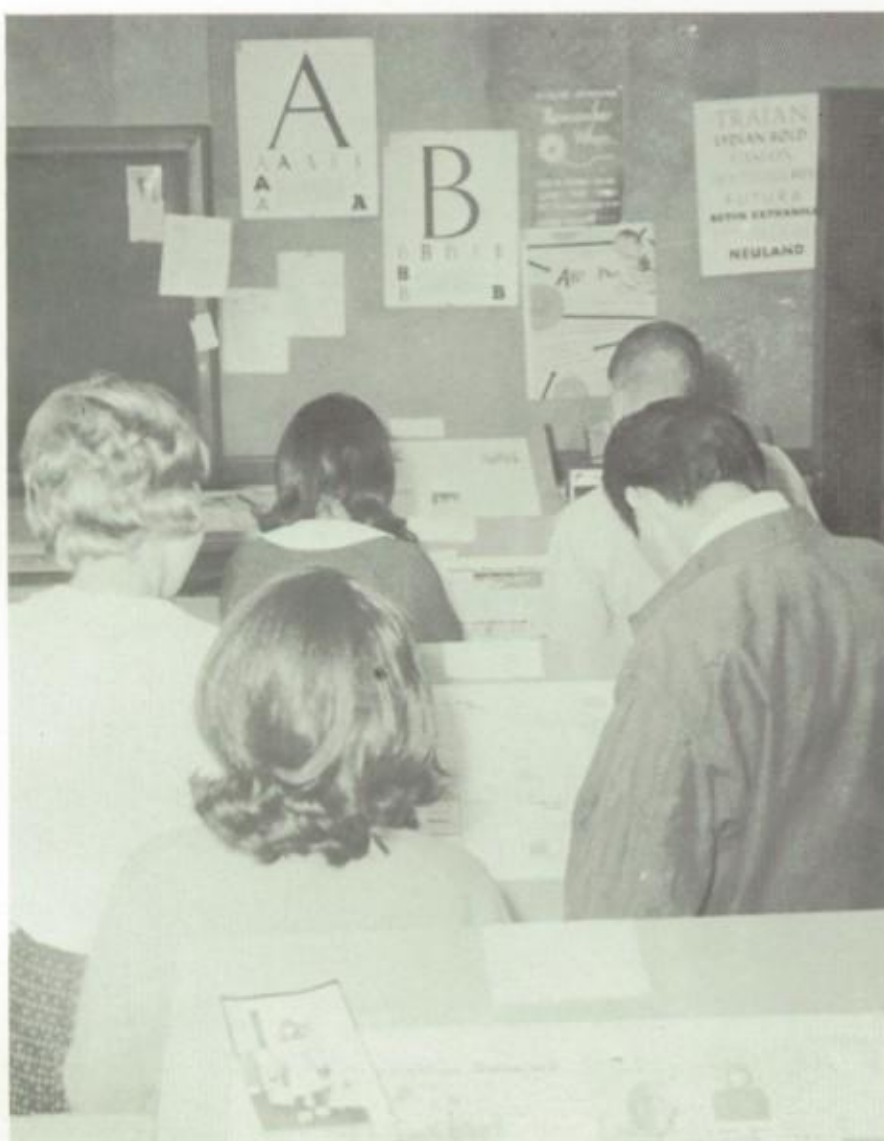

annual transcends tradition

Many traditions were transcended by this year's edition of the PIRATES' LOG. The annual staff has tried out many new ideas in hopes that it may bring you a book that you will treasure for years.

Leading the staff was Bob West, editor. Under his supervision, with assistance from Mrs. Sharon Stackle, advisor, the staff was kept busy meeting its deadlines throughout the year. Due to the fact that the staff had only one photographer, however, there was quite a frantic rush when the final deadlines did roll around.

The staff consisted of: Stacy Aicken, Sherry Atkinson, Steve Denhart, Linda Espinosa, Lester Dotson, Steve Glass, Magen Gunsul, Bob Hale, Pam Hilleren, Phyllis Hubert, Pat Landstrom, Maurine Martin, Ruth Anne Meyers, Molly Mitchell, Al Parker, Nancy Raume, Ben Sonnichsen, Grant Steele, and Bob West.

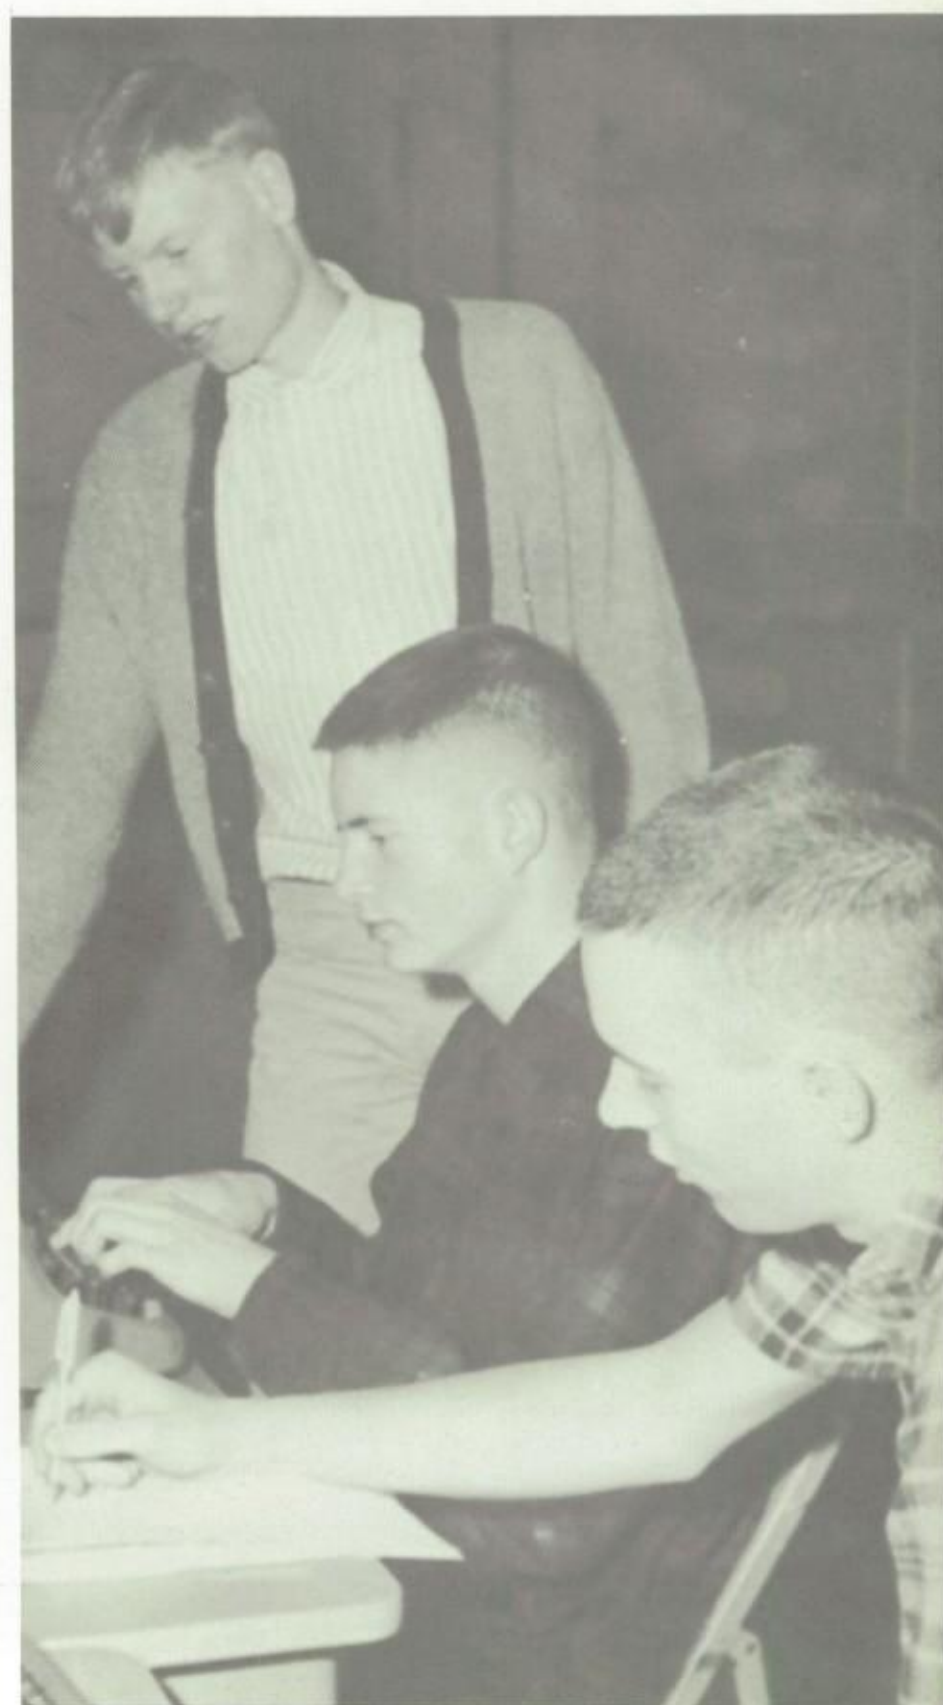

student expression

The **HIGHLINES 65/66** was a leader in student thought and expression this year. Led by Nannette Martin, first semester editor, Pat Foote, second semester editor, and Mrs. Sharon Stackle, advisor, the staff published many controversial issues while moving students to action.

The editorial staff included: Pegi Kobela, Dave Paulson, Nancy Schmitt, Ginny McClure, Steve Ellis, Dick Morrison, Al Parker, Lester Dotson, Erin Powell, Gayle Osterhout, and Donna Robbins.

Heading the business end of the paper was this year's business manager, Jan Cole.

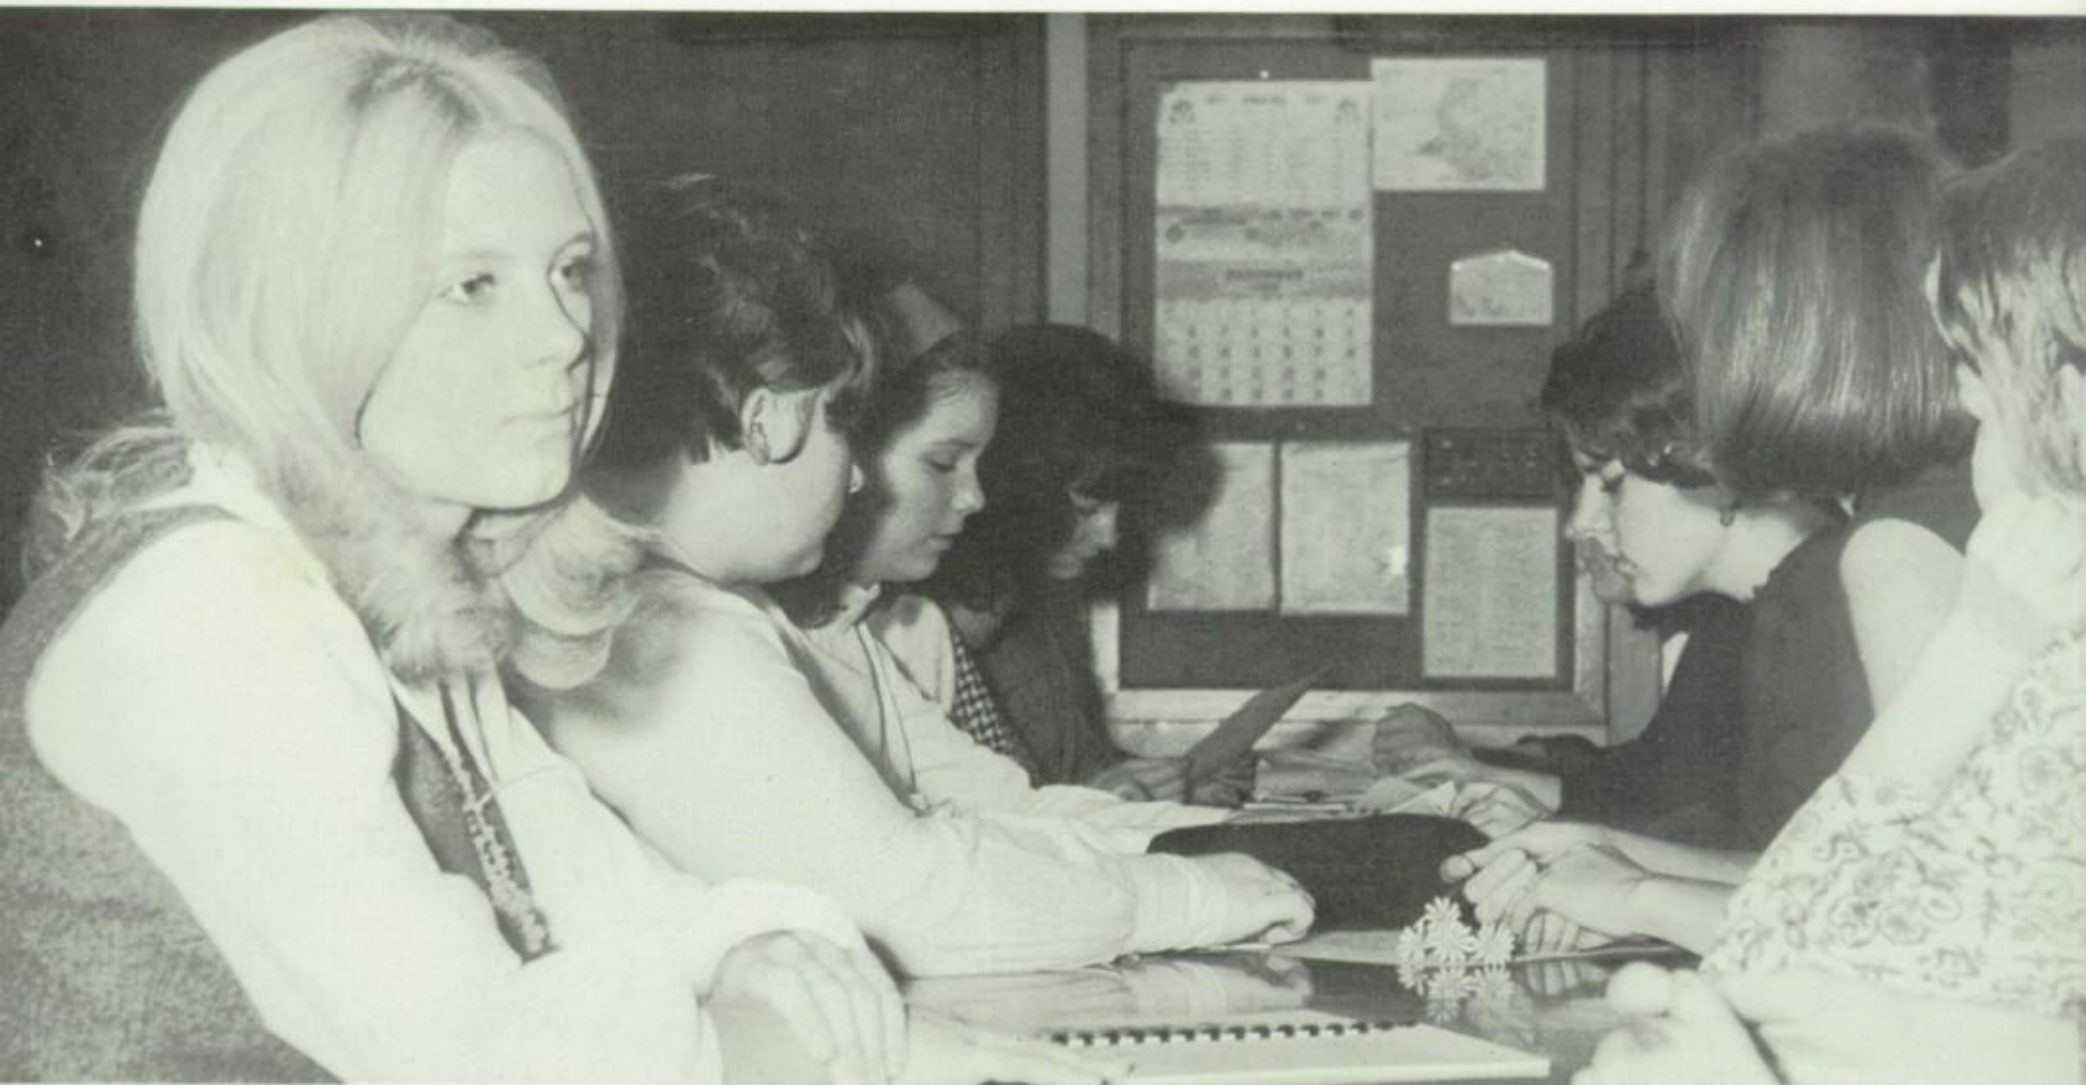

Those on the business staff were: Mike Ferris, Gregg One-wein, Bonnie Grimstad, Jim St. George, Chris Emil, Stephanie Zimmerman, and Dennis Nemeth.

Jim Mitchell, sophomore, practices techniques for effective public speaking.

PIRATES PEN staff contemplates journalistic originality.

lost in thought

The debate team gives its members the chance to express their opinions on subjects of national and world-wide interest. This year the national high school debate topic was: Resolved that the federal government should adopt a program of compulsory arbitration in labor-management disputes in basic industry. The team, advised by Mr. Bruno Pierini, argued their way to a successful year.

Through the publication of PIRATES PEN, creative students of Highline are given an opportunity to show their literary talents. The advanced students in creative writing, under the guidance of Mrs. Elizabeth Katis, submitted their own ideas and solicited the student body for prose. This year the staff was headed by Dana Ummel, editor-in-chief, and April Duffy, art editor.

Highline is very fortunate to have one of the few places in the United States for a district-wide outdoor education program. The sixth grade students in the Highline district visit Camp Waskowitz for a week of botanical and biological study. The counselors are supplied by the five Highline district high schools. The camp offers a learning experience for both the campers and the counselors. The boys at the right are planting fish in a nearby stream, one of the last activities of their visit.

The Imaginary Invalid

This past year, under the leadership of Kathy Austin, president, the Drama Shoppe was able to help out the drama department in many ways. For The Imaginary Invalid, they planned a lovely parents' reception that was very successful. Included in their duties, the members of the club helped in designing and making the costumes used for all the plays. Even some of the actual stage designing can be accredited to the skillful work of some of the imaginative members. The other Drama Shoppe officers were Mike Ingersoll, vice-president, Liz Ross, secretary, and treasurer, Mary Millar.

ski club

This popular sport draws record attendance at Ski Club meetings.

In its second year of existence at Highline, Ski Club has been met with outstanding enthusiasm. Basically, Ski Club functioned as an organization of skiers meeting together to discuss skiing techniques and other interesting phases of skiing. This year's officers: Brent Raffetto, president; Ken Hoy, vice-president, and Randy Kludt, secretary-treasurer varied the program to include informative films and interesting speakers to benefit the active participants.

intramurals expanded

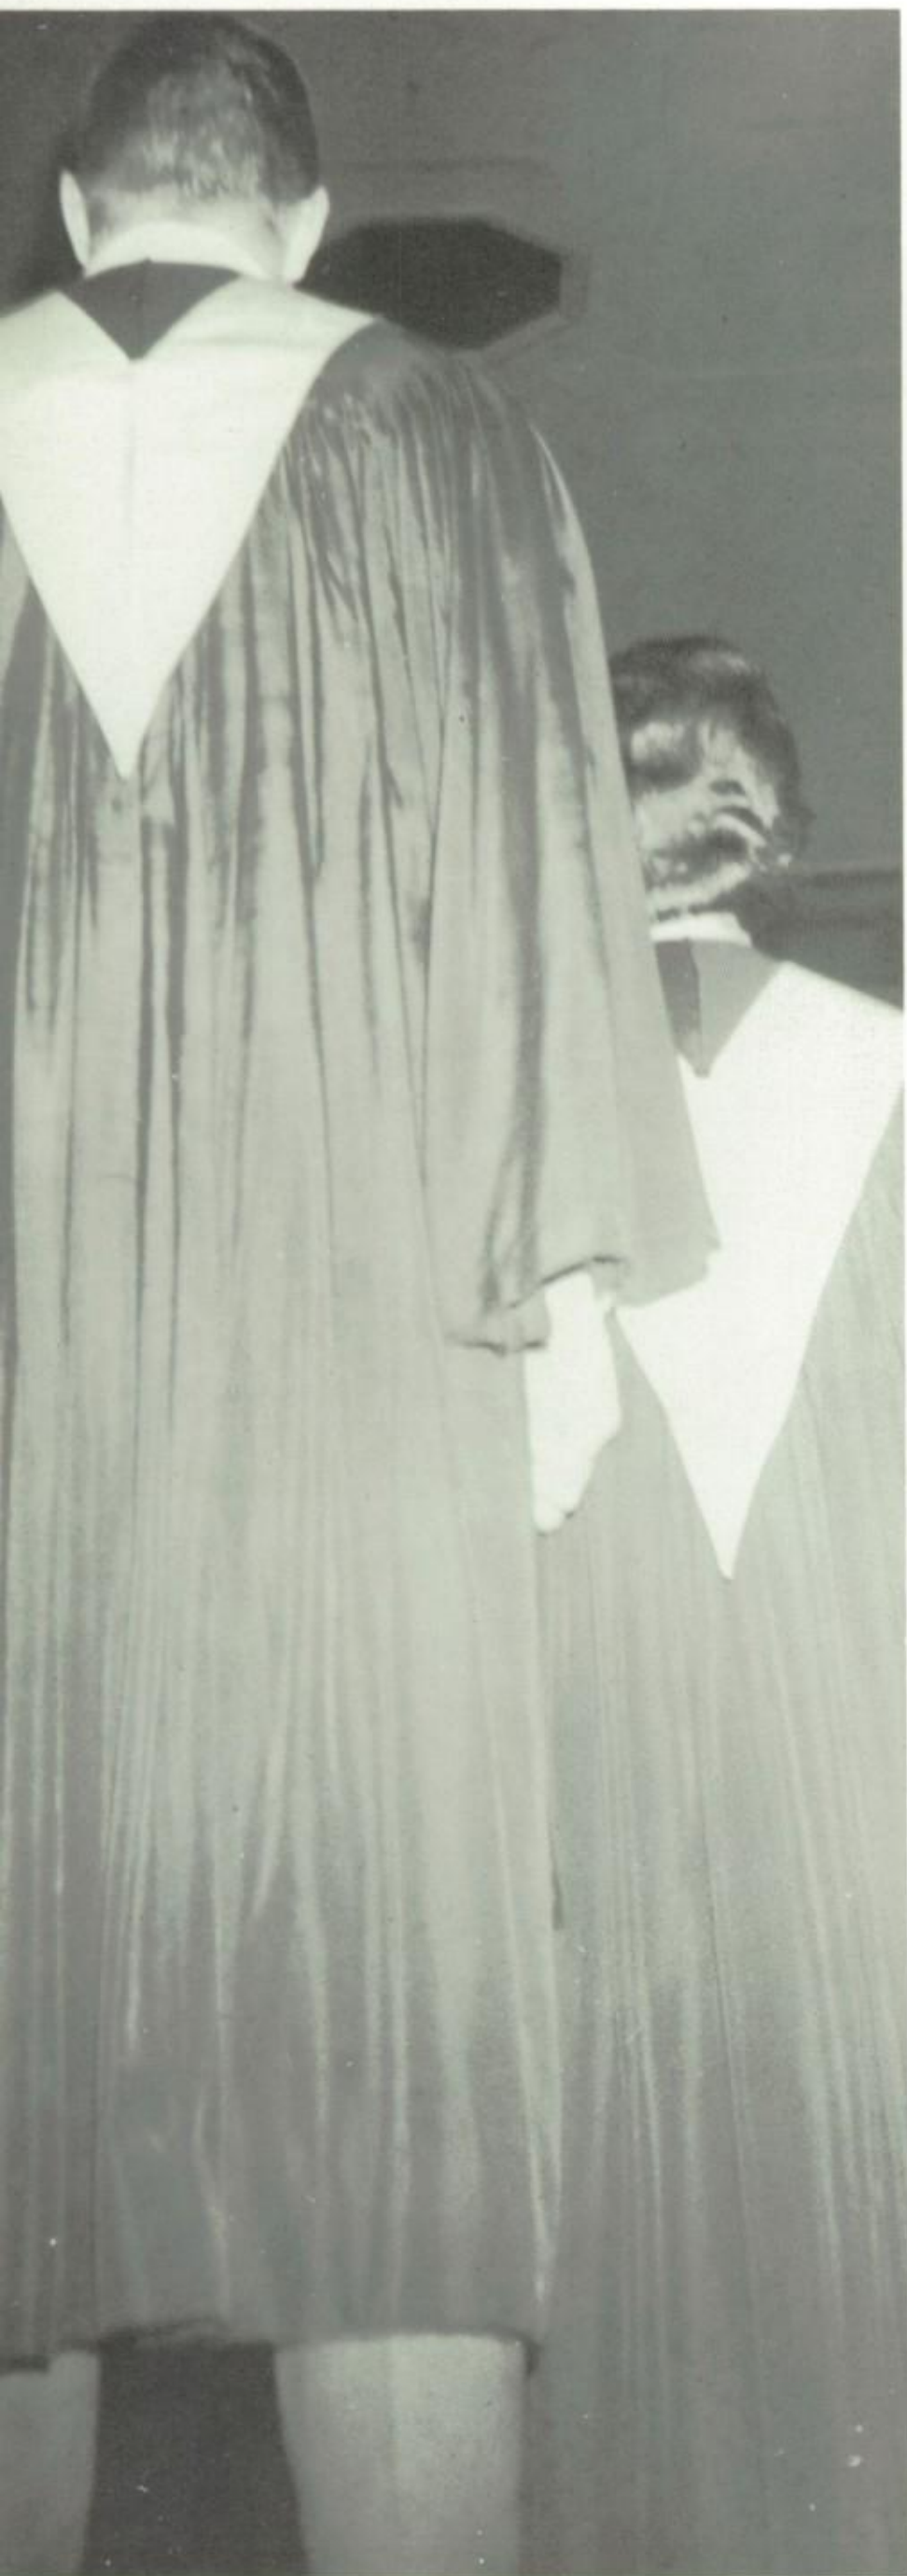

This year the boys' intramurals was expanded to include handball and co-ed volleyball. Headed by Mr. Robert Sarver, P. E. instructor, the program was designed to give those boys who were unable to turn out for varsity sports an opportunity to participate in athletics. It has also been used by some of the varsity team members as a pre-season practice.

Due to the fact that five new activities have been added to the program since its beginning in 1961, it seems to be gaining much popularity.

The intramurals program includes: basketball, tennis, wrestling, gymnastics, swimming, and handball. Soccer and weight training were available for those boys who were planning to turn out for football the following year.

During every school year leaders arise who are fine examples for their classmates to follow. These leaders are justly respected and admired for they exemplify those qualities characteristic of influential people. They are outstanding because they give of themselves to the best of their ability.

The people on these pages were fine examples of such leaders. They gave their devotion, stamina, and effort to their undertakings. These people turned the abstract terms of unity, enthusiasm, and pride into realities.

It was because of their unselfish attitude towards their school that we salute these students who were honored throughout the year.

National Honor Society required not only the grade point average of 3.8 for sophomores, 3.7 for juniors and 3.6 for seniors, but also demanded that its members be active in several school activities. Under the guidance of Mr. Earl Trowbridge, advisor, and leadership of Bob West, Margaret Stoner, Sue Prideaux and B. J. Brenden, officers, the group organized a trip to the Repertory Theatre and sponsored a picnic. scholastic excellence

The requirements for admission to Torch Club were a 3.0 grade average and one creditable extra-curricular activity. This year's membership consisted of forty-eight seniors, sixty-three juniors and sixty-eight sophomores. Under the supervision of Mr. Larry Lemmel, advisor, and Eric Quist, Pat Landstrom, and Jan Cosgrove, officers, Torch Club sponsored monthly educational assemblies for members, as well as the traditional recognition banquet. During the banquet, four-year Torch pins were awarded to those seniors who had been in Torch continuously since the ninth grade.

"The mere lapse of time can never make the character of each morrow dawn. The light which puts out our eyes is darkness to us. Only that day dawns to which we are awake. There is more day to dawn. The sun is but a morning star."

spring gaiety

With the coming of spring, many of Highline's students were overcome by fresh air and sunshine. Radiating the warmth of the weather, they took to the out-of-doors, engaging in activities of varying natures. The effects of spring were also seen in elections and a flurry of end-of-the-year activity.

summer can't come soon enough

The PIRATE'S LOG STAFF expresses thanks to Mr. and Mrs. Johnson of Rex Tracy Studio, to Mr. Burt Durham of R. Wallace Pischel, Inc., to Mr. Donald Simpson, to Rhea Meland, to Mary Millar, to Ben Boroughs, to Steve Roswold, and to Sue Lapham for their help in the production of our yearbook.
